Office of the Controller of Examinations

Quality is the hallmark of our department. In order to maintain the excellence, the team of controller office is striving their best to achieve the goals of transparency, accuracy and secrecy and also have to keep pace with its expansion and modernization programs.

The ability to pass an examination is indeed a valuable quality. It shows that the student is able to express his thought and ideas to a manner, others can understand. It also shows that the student has acquired a certain amount of knowledge in some branches of study. A student's success in an examination, therefore, helps employers and others to assess his mental or general ability. The Controller of Examination at Govt. College Women University Faisalabad is motivated to boost the standards of examination system to access the abilities of the students in a better way.
