

## Vice Chancellor's visit to the new campus

Worthy Vice Chancellor GCWUF Prof. Dr. Zill-i-Huma Nazli visited the New Campus of the university today. Registrar Mr. Asif A. Malik and Chief Engineer Mr. Tayyab Asif accompanied her.

Mr. Tayyab briefed the competent authority on the progress of the development project on the campus construction status admin, academic, and hostel buildings. Worthy Vice Chancellor is quite concerned with timely completion of all developmental projects of the university.

## 2nd Vice Chancellors Conference on Civic Education

Vice Chancellor GCWUF Prof. Dr. Zill-i-Huma Nazli attended the 2nd Vice Chancellors Conference

on Civic Education organized by the Punjab Higher Education Commission (PHEC). The event held from May 21-22, 2024 at Faletti's Hotel, Lahore. Prof. Dr. Shahid Munir (T.I), Chairperson PHEC, warmly welcomed all Vice Chancellors and explained the

aims and objectives of the conference.

The conference's main goal was to help institutions foster an inclusive culture that values diversity. The main topics of discussion at the conference included issues related to interfaith harmony, environmental protection, and the provision of equal opportunities for everyone to advance academically and professionally.

## Poster Competition On Climate Action

A poster competition to exhibit Sustainable Development Goal 13, Climate Action (SDG-13: Climate Action) was held by the Department of Biochemistry on May 07, 2024, in collaboration with the Quality Enhancement Cell, GCWUF, and the Ministry of Planning and Development. The event aimed to create awareness of how Climate Action affects life and devise policies to reduce carbon emissions, implement energy-efficient practices, adopt renewable energy

sources, reuse resources, etc., to protect life on earth.

The posters/charts and models were prepared under the supervision of the focal person Dr. SumeraShaheen. Students of different semesters in the Department of Biochemistry participated in the competition. Prof. Dr. SaimaAkram,

Coordinator of Science & Technology, and Prof. Dr. Aysha Sameen Coordinator of Arts & Social Sciences inaugurated the Poster Competition along with Chairperson Dr. Mubashra Sadia, Coordinator of Management Sciences and Coordinator of Linguistics. Heads of different departments and faculty members also grace the event. The

## Two-day training workshop “Capacity Building Of The Clinical Dietitians”

to students for their hard work.

The Department of Nutritional Sciences, GCWUF organized a two-day Training Workshop entitled “Capacity Building of the Clinical Dietitians” from 15th to 16th May 2024 in collaboration with the project of Pak-Korea Nutrition Center

(PKNC) and Faisalabad Medical University, Fsd (FMU).

The coordinator, Faculty of Science & Technology, Prof. Dr. Saima Akram welcomed the guests and speakers and introduced the rationale of the event. Mr. Asif A. Malik, Registrar, GCWUF graced the event with his valuable remarks.

Mr. Ansar Mughal, Treasurer, GCWUF, faculty members, and many students of Human Nutrition & Dietetics attended the workshop with full zeal and zest. Resource persons of the workshop were Dr. Uzma Ali, Dr. Ayesha Ayub, and Dr. Abdullah Butt from FMU and Pak-Korea Nutrition Centre (PKNC), UAF. The core objective of the training was the capacity building of clinical dietitians to disseminate nutrition knowledge among the students. The training workshop included a series of both technical as well as practical sessions having modules related to nutritional assessment, healthy eating, dietary management, energy and nutrient needs, nutrition education, and nutrition counseling techniques.

An interactive question/answer session was also conducted to clarify the students' queries. The training sessions ended with a group photo and a vote of thanks by Dr. Madiha Ilyas, Convener/Incharge, Department of Nutritional Sciences.

## Seminar and Psychological Counseling Session on Good Health and Well Being

The Department of Applied Psychology at Government College Women University Faisalabad engaged students in the "YOUNGs Initiative for Sustainable Development Goals," specifically focusing on SDG 3: Good Health and Well-being. This initiative, directed by the Ministry of Planning, Development, and Special Initiatives, in collaboration

with the Quality Enhancement Cell (QEC) at GCWUF, underscores a commitment to fostering mental wellness among students. On April 24, 2024, a one-day seminar themed "Unlock Your Potential, Prioritize Your Mental Health" took place in Room 23 of GCWUF's Fatima Block, commencing at 12:00 pm. Led by a dedicated student Farwa Batool from 6th Semester along with her team members working on SDG 3, in partnership with the QEC and spearheaded by Dr. Saira Khan from the Department of Applied Psychology, the seminar aimed to raise

awareness about mental well-being. Additionally, Dr. RiffatSadiq and SobiaAftab from the QEC contributed as guest speakers, augmenting the discourse on mental wellness. FarwaBatoool delivered a comprehensive briefing on the SDGs, highlighting the pivotal role of mental health in our lives. She

also explains stress-reduction strategies, empowering students to understand and manage their mental health effectively. Dr. Saira khan facilitated a relaxation therapy session, fostering a conducive environment for mental well-being and how mental health is important for our lives. Dr.RiffatSadiq, the Head of the Department, inspired students to actively engage with the UN 2030 agenda, elucidating how youth can champion the Sustainable Development Goals.Following the presentations, students actively participated in exercises designed to deepen their understanding of the historical context, significance, and multifaceted nature of the SDGs. This collaborative effort underscores the commitment of

GCWUF towards nurturing holistic development among its students, with a particular emphasis on mental wellness and sustainable development.

## Seminar on Career Opportunities for Students Of sociology Department

In connection with "Young Initiative Program" the department of Sociology organized a seminar on 7th May 2024 to provide awareness to students regarding career opportunities in foreign countries. The event was held in the Jinnah Auditorium in collaboration with QEC. The event started with recitation of Holy verses of Quran followed by Naat-i-RasoolMaqbool. Prof. Dr.

### Industrial visits for Future collaborations

Government College Women University Faisalabad

always prioritizes industry-academia linkage to provide a strong academic experience to its students. In this regard, Prof. Dr. Ayesha Sameen, The

Chairperson Department of Food Science and Technology/Director of International Collaborations and Industrial Linkages, GCWUF visited the Four Eminent Food Industries i.e. SABROSO, SIX B Food Industries Pvt Ltd, Cakes and Bakes, and Man O Salwa in premises of Lahore on 9th May 2024.

The meetings aimed to collaborate with these retail chains to engage students and fresh graduates in food science and technology for paid internships and training. Furthermore, the industrial tours provide a platform for students to utilize and explore their potential and practical findings under the supervision of highly qualified professionals. SABROSO, The Chicken Specialist offers a diversified range of hygienic, high protein, and wholesome chicken products at the most affordable price in compliance with national and international standards. SIX B Food Industries Pvt Ltd is one of the leading brands

and among the top-notch names in the confectionery and beverages industry. Its high-quality products possess the best taste and satisfaction to end consumers. Cakes and Bakes is a prominent growing bakery chain with the first ISO-certified plant worldwide for providing cakes

and confectionary items including breakfast cereals, frozen ready-to-eat meals, dairy products, and desserts for everyone. Man O Salwa brings taste to Life by providing fresh, convenient, artfully prepared, and delicious food options anytime for the household. The visit opened up new ways of linkages between the university and the food industry to provide a first-hand experience for our students in the food industry. It will ensure better career opportunities for our students in the future.

### Training for Modern Library Services In Digital Environment

Misbah Bashir, the Librarian at GCWUF, has completed a five-day Training Course entitled "Modern Library Services in Digital Environment," conducted by the Akhtar Hameed Khan National Centre for Rural Development (AHK NCRD) in Islamabad from May 6th to May 10th, 2024.

The objectives of the training course were to provide librarians with the expertise and understanding required for proficiently handling contemporary library services within a digital setting. It acquainted participants with the latest developments and technologies in library and information science to deliver inventive and user-centric services.

### Knowledge sharing activity under the Director of faculty Development

The Directorate of Faculty Development organized a knowledge-sharing activity on May 15, 2024. Professor Dr. Saima Akram was the guest speaker.

She delivered a talk titled "Efficient Solutions for Nonlinear Models: A Steffensen-Ostrowski Sixteenth-Order Iterative Approach with Applications to the Completely Mixed Reactor and Kepler's Equation," which she presented at the National Conference on Pure and Applied Mathematics at the University of

Sargodha. The faculty members and M. Phil researchers from the Mathematics Department attended the talk and gained valuable knowledge.

## Certificate Distribution Ceremony of High Achievers in Mathematics

Mathematics Department GCWUF organized a Certificate Distribution Ceremony amid its Annual Function to appreciate the academic achievements of position-holder students of all semesters on May 8, 2024. The Mathematics Department, Government College Women University Faisalabad (GCWUF) orchestrated a captivating Annual Function under Prof. Dr. Saima Akram's (Chairperson Department of Mathematics, GCWUF) guidance. In her address, Prof. Dr. Saima Akram extended a warm welcome to all guests and students and motivated students to harbor big dreams and pursue them relentlessly. She motivated students to view artificial intelligence as a friendly tool for continuous learning and innovation. She appreciated her team for organizing the event efficiently and successfully.

The pinnacle of the evening was the distribution of certificates to accomplished students who excelled in their academic journey, securing top positions in the 2nd, 4th, 6th, and 8th semesters. This acknowledgment of their hard work and dedication

served as a testament to their academic prowess and perseverance.

Adding to the

prestige of the event were the esteemed guests, Prof. Dr. Ayesha Samen (Coordinator Arts and Social Sciences, GCWUF), Dr. Rukhsana Baloch (Coordinator of Humanities and language, GCWUF), Dr. Asma Khalid (Director Quality Enhancement Cell, GCWUF), Dr. Salma Shahid (Director Academics), Dr. Mubashra Sadia (Chairperson Biochemistry

Department, GCWUF), and Dr. Aysha Younis (Chairperson Department of Physics, Dr. Abida Kausar (Chairperson of Botany Department), Dr. Hira Munir (Incharge ORIC), who graced the occasion with their presence and shared valuable insights with the audience.

## Display under Entrepreneurship project in Art and Design

The students of the Department of Art and Design at GCWUF showcased an impressive display of entrepreneurship skill demonstrating their creative and innovative approaches to entrepreneurship.

Prof Dr. Ayesha Sameen, Coordinator Arts and Social Sciences inaugurated the event. Dr Rukhsana Baloch, Coordinator Humanities & Languages, and Dr Riffat Sadiq Incharge Applied Psychology also visited the display and appreciated the efforts of the students.

The exhibition was a culmination of their hard work and dedication to developing essential skills for success in the entrepreneurial world.

## Use of Generative Artificial Intelligence In Higher Education: Two Day Training workshop

The faculty members Dr. Aisha Imtiaz (Assistant Professor, Incharge Dpt. of Commerce) and Dr. Kanwal Shaheen (Assistant Professor, Dpt. of Management Sciences) attended a two-day training workshop on the topic of "USE OF GENERATIVE

ARTIFICIAL INTELLIGENCE IN HIGHER EDUCATION" held on 8th and 9th May at VETERINARY ACADEMY, UNIVERSITY OF VETERINARY & ANIMAL SCIENCES (UVAS) LAHORE conducted by PUNJAB HIGHER EDUCATION COMMISSION.

The resource person Mr. Fayyaz-ur-Rehman (University of Sargodha) by using his expertise particularly focused on introducing the faculty members with latest and diverse artificial intelligence tools and how they can be used in teaching and research. Overall, the training proved to be beneficial and informative. In the end, the participants were awarded with certificates on successful completion of the sessions by respected vice chancellor of UVAS Prof. Dr. M. Younus Rana .
